

A Night To Remember - Song by Laufey and beabadoobee - Gm7/C7

VERSE

Songwriters: Beatrice Laus / Laufey Lin Bing Jonsdottir

Gm7 C7
Swore I'd seen you before
Watched you walk through the door
Something in your eye
Reminded me of somebody I used to know
You touch my back
I took your hand
Something from your touch felt shockingly familiar
And I'd swore I'd seen you before
Gm7 Am D7
Oh, I swore I'd seen you before

BRIDGE

Gm7 Am7 D7
Underneath the sheets, you enchanted me
Gm7 Am7 D7
And whispered sweet nothings in my ear
G7
I shivered beneath you
Cm7
All wrapped up in embers
Am7 D7 Gm7
It was a night to remember

Gm7 C7
(Vamp, solos until Elie signals to sing)

VERSE

(just vox and drums)
Then I walked away
(band joins)
You asked me to stay
Well, you're thinkin' of what could've been
But you've become someone I've seen before
Gm7 Am D7
I swore I'd seen you before
