*Songwriters: War*

## **G Cowbell and Timbale intro**

All my friends know the low rider  
The low rider is a little higher

## **Sax and harmonica melody**

The low rider drives a little slower  
Low rider, is a real goer

## **Sax and harmonica melody**

Low rider knows every street, yeah  
Low rider, is the one to meet, yeah

## **Sax and harmonica melody**

Low rider don't use no gas now  
The low rider don't drive too fast

## **Sax and harmonica melody**

Take a little trip, take a little trip  
Take a little trip and see  
Take a little trip, take a little trip  
Take a little trip with me

## **Sax and harmonica melody**
